ROKMASTER PROVIDES POSITIVE UPDATE ON THE REVEL RIDGE PROJECT

(Vancouver, July 27th, 2020) – Rokmaster Resources Corp. (“**Rokmaster**” or the “**Company**”) is pleased to provide the following progress report for its Revel Ridge Project;

Phase 1 Core Drilling Preparation:

- B.C. Ministry of Mines and B.C. Ministry of Environment permit applications have been accepted and are in the final referral and consultation stages prior to receipt of all drilling permits.
- Hy-Tech Drilling Ltd. of Smithers, B.C. has conducted site inspections and preparations for drill crew & equipment mobilization are in place.
- Completion of:
 - ✓ installation and rehabilitation of access roads, generators, electrical transformers, cable & switch gear, fuel storage, underground mobile & stationary equipment, mechanical maintenance shop, office-storage building, emergency first aid facility and ventilation fans;
 - ✓ geotechnical and safety inspections of underground access; and.
 - ✓ environmental site inspections and technical report.

Surface Drill Target Selection and Exploration:

- Initiate below tree line, on-ground field assessment, including sampling, prospecting and geological mapping of the 44 other known and newly discovered Au-Ag occurrences over the 7-8 km planer deformation structure hosting the Main Zone, commencing first week of August, 2020.
- Initiate alpine, on ground assessment third week of August, 2020.

Preliminary Economic Assessment (PEA) Progress:

- MICON International Limited is conducting final assessment of a draft PEA on the Revel Ridge Project.
- The PEA will incorporate metallurgical results from test work by Base Metallurgical Laboratories Ltd., with supervision by Canenco Consulting Corp. and Canadian Northern Mining Ltd.
- The updated NI 43-101 technical report can be viewed ([Click Here](#))

Rokmaster looks forward to working with the local communities and the Province of B.C. in initiating the Revel Ridge Project exploration work. The Phase I, \$3 million drill program will commence as soon as permits and approvals are received.

- COVID -19:

Since May, COVID-19 health and safety procedures and protocols have caused difficulty in the supply of goods and services for the Revel Ridge Project, however progress has recently been made in many areas, including analytical and engineering services.

On the Project site, Rokmaster continues to follow strict procedures to mitigate exposure of its workers to the COVID-19 virus.

About Rokmaster

Rokmaster's focus is on exploring for base and precious metals, and its flagship asset is its option to earn 100% of the Revel Ridge polymetallic precious metals project situated in the prolific Kootenay Arc. Please refer to the technical report titled "Updated Technical Report on the Revel Ridge Property (formerly J&L Property), Revelstoke Mining Division, British Columbia, Canada" dated February 25, 2020 with an effective date of January 29, 2020, which the Company has filed on SEDAR.

For additional information on the Company and its projects, please visit the Company's website www.rokmaster.com or telephone (604) 290-4647.

On behalf of the Board of Directors,

"John Mirko"

John Mirko, President and Chief Executive Officer.
