### **Rokmaster Receives Surface Drill Permit for 58 Stations**

**(Vancouver, May 20, 2021)** – Rokmaster Resources Corporation (TSXV: RKR, OTCQB: RKMSF, FSE: 1RR1) (“Rokmaster” or the “Company”) is pleased to report that it has received amended Mines Act Permit MX-4-500 from the Chief Permitting Officer of the British Columbia Ministry of Energy, Mines and Low Carbon Innovation.

Permit MX-4-500 now provides for the Company to undertake certain exploration works and reclamation activities on the Revel Ridge Project, 35 km north of Revelstoke, BC.

These works include surface diamond drilling from 58 stations throughout a 7,000 m length of the Revel Ridge Deformation Zone hosting both the Main Zone (“RRMZ”) and the Yellowjacket Zones (“RRYZ”).

Diamond drilling will begin shortly.

#### **CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS:**

This news release may contain forward-looking information within the meaning of applicable securities laws (“forward-looking statements”). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects,” “plans,” “anticipates,” “believes,” “intends,” “estimates,” “projects,” “potential” and similar expressions, or that events or conditions “will,” “would,” “may,” “could” or “should” occur. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company’s properties; risk of accidents, equipment

breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from Rokmaster's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
