Each Unit is comprised of one common share of the Company and one-half (1/2) non-transferrable common share purchase warrant. The securities issued pursuant to the Financing are subject to a four-months and one day hold period expiring June 17, 2023 and were not offered or registered in the United States.

In connection with the closing of the Financing, the Company paid cash finder’s fees in aggregate of \$18,865, and issued a total of 188,650 finder’s warrants (the “**Finder’s Warrants**”) to certain finders. Each Finder’s Warrant entitles the holder to purchase one Warrant Share at a price of \$0.175 for a period of one year expiring on February 16, 2024 and is also subject to the Acceleration Provision above.

Proceeds from the Financing will be used for exploration, economic studies and for general working capital purposes.
