For Immediate Release

ROKMASTER CLOSES NON-BROKERED FINANCING

(Vancouver, British Columbia – April 6, 2023) – Rokmaster Resources Corp. (TSXV: RKR) (OTCQB: RKMSF) (FSE: 1RR1) (“**Rokmaster**” or the “**Company**”) is pleased to announce that it has completed a non-brokered financing (the “**Financing**”) involving the issuance of flow-through units (the “**FT Units**”) through the issuance of 4,545,455 FT Units at \$0.11 per FT Unit, for gross proceeds of \$500,000.

Each FT Unit is comprised of one flow-through common share of the Company (the “**FT Share**”) and one non-transferrable common share purchase warrant to purchase one non-flow-through common share of the Company (a “**Warrant Share**”) at a price of \$0.13 per Warrant Share for a period of two years expiring on April 5, 2025 (the “**Expiry Date**”), subject to the Acceleration Provision.

If at any time prior to the Expiry Date, the Company’s common shares trade at or above a price of \$0.20 per common share on the TSX Venture Exchange for a period of 10 consecutive trading days commencing four months plus one day after the issue date, the Company may, at its option, accelerate the Expiry Date by issuing a press release announcing such acceleration (the “**Acceleration Press Release**”), and, in such case, the Expiry Date shall be deemed to be the 30th day following the date of issuance of the Acceleration Press Release (the “**Acceleration Provision**”).

The securities issued pursuant to the Financing are subject to a four-months and one day hold period expiring August 6, 2023 and were not offered or registered in the United States.

In connection with the closing of the Financing, the Company paid cash finder’s fees in aggregate of \$35,820, and issued a total of 325,636 finder’s warrants (the “**Finder’s Warrants**”) to certain finders. Each Finder’s Warrant entitles the holder to purchase one Warrant Share at a price of \$0.13 for a period of two years expiring on April 5, 2025 and is also subject to the Acceleration Provision above.

The gross proceeds raised from the sale of the FT Shares will be used by the Company for exploration that will qualify as “Canadian Exploration Expenses”, as that term is defined in the Income Tax Act (Canada) only.

For more information, please contact Mr. John Mirko, CEO of Rokmaster Resources, jmirko@rokmaster.com, Ph. +1(604)290-4647 or the Company's website: www.rokmaster.com

For shareholder information please contact: Mike Kordysz, mkordysz@rokmaster.com, Ph. +1 (604)319-3171

On Behalf of the Board of Directors of

Rokmaster Resources Corp.

John Mirko,
President & Chief Executive Officer.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.

CAUTIONARY NOTE REGARDING FORWARD LOOKING STATEMENTS: This news release may contain forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company's properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from Rokmaster's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
